FNT Assistant

The Intelligent Chatbot for the FNT Product World: Find Answers Instantly with Intuitive AI Support

The FNT Assistant is your digital expert for all questions related to FNT products and solutions. It enables fast access to product information and best practices, delivering precise answers in an instant. Instead of spending time searching through extensive documents, users simply ask their questions in natural language and instantly receive relevant, context-specific information – made possible by cutting-edge AI technology that intelligently unlocks and makes accessible the entire product and solutions portfolio.

FNT ASSISTANT IN DETAIL

Conversational Interaction

Ask complex questions just as you would ask a colleague. The FNT Assistant understands the context and delivers the right answer.

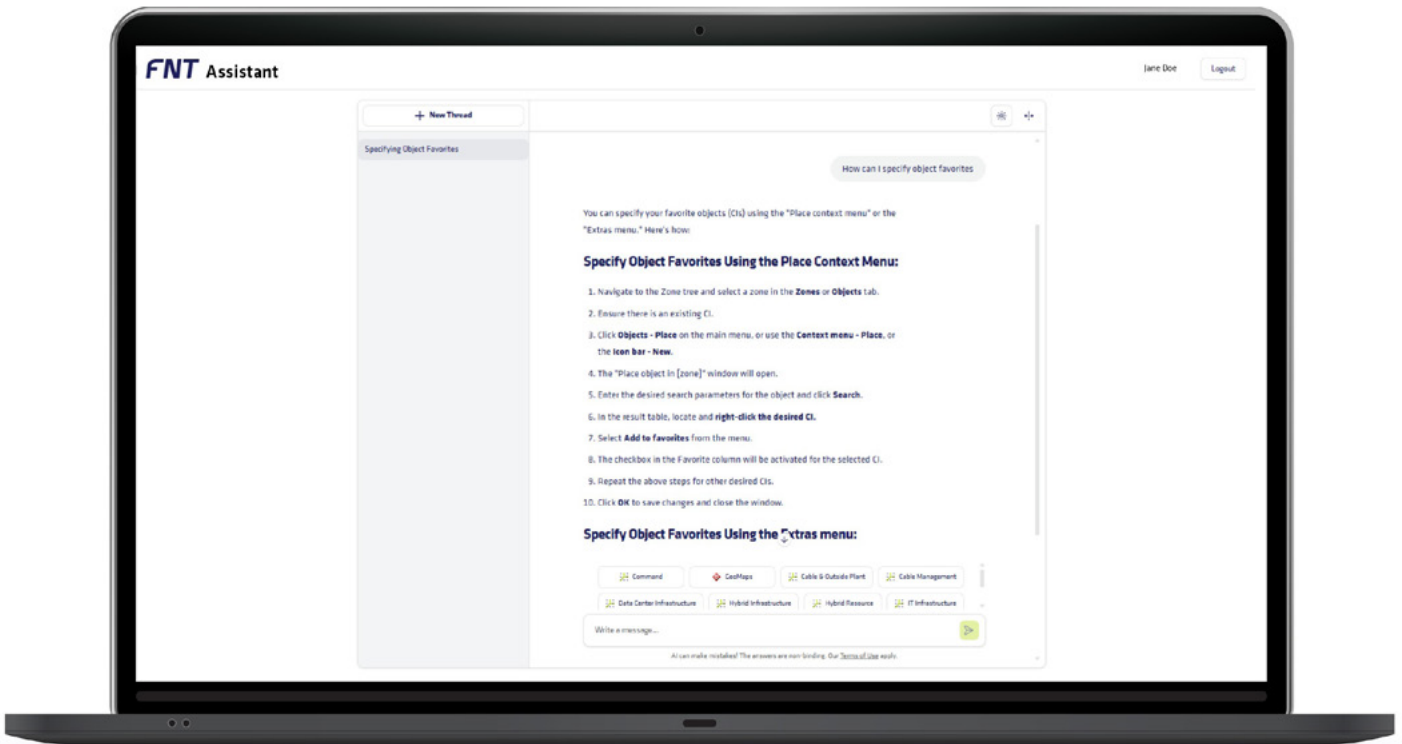

Unified Knowledge Hub

Access all FNT knowledge in one place: user manuals, technical whitepapers, solution catalogs, quick reference guides, and videos are all searchable at once.

Multilingual Support

The FNT Assistant supports queries in multiple languages, regardless of the language of the source document.

KEY BENEFITS OF THE FNT ASSISTANT

- ✓ **Intuitive to Use:** The FNT Assistant allows users to ask questions in natural language and quickly find the right information regardless of their technical background.
- ✓ **Instant, Precise Answers:** Relevant information is drawn directly from comprehensive product resources such as training guides, user manuals, whitepapers, solution guides, and demo videos.
- ✓ **Greater User Independence:** Users can resolve questions independently, explore features at their own pace, and work with FNT solutions more confidently and efficiently.
- ✓ **Accelerated Onboarding:** Easy access to relevant knowledge simplifies orientation and helps users get up to speed with FNT solutions faster.
- ✓ **On-Demand Access:** The knowledge you need is available exactly when you need it – fast, effortless, and on demand.

Getting help should be as easy as a brief conversation. The FNT Assistant is your digital expert, delivering our consolidated knowledge exactly when you need it.
